This policy explains how our website uses cookies and similar technologies, such as browser storage, and how you can control them.

Essential Technologies

These are needed for the website to work and stay secure. They cannot be switched off through our preferences.

- cl-cookie-consent (browser local storage, Crafted Landscapes): remembers your cookie choices. Kept until you change your choice or clear your browser storage.
- cl-campaign and cl-visit (browser session storage, Crafted Landscapes): remember how you arrived at the website, such as a referring website or campaign link, so we can understand where enquiries come from. Deleted when you close your browser tab.
- Studio sign-in session (browser local storage, website database provider): used only when a member of the studio signs in to our private dashboard. It is not set for visitors.

Analytics Cookies

We do not currently use analytics cookies. If we introduce them, they will remain switched off until you give consent, and this policy will be updated first.

Marketing Cookies

We do not currently use marketing or advertising cookies. If we introduce them, they will remain switched off until you give consent.

Third-Party Content

Our website loads its typefaces from Google Fonts, which means your browser connects to Google's servers and shares your IP address with Google. Google Fonts does not set cookies on our website.

Links to Instagram, Pinterest, Shopify and other external websites take you to those websites, which use their own cookies under their own policies.

Managing Your Preferences

When you first visit, you can accept all optional cookies, reject them, or manage your preferences. Optional categories are off unless you switch them on. You can change your choice at any time using Cookie Preferences in the website footer.

You can also delete or block cookies and browser storage through your browser settings.
